

TRANSPORTATION COMPARISON

TAXI NETWORK VS UBER OR LYFT

There are many benefits to driving and riding with our Taxi network. We encourage everyone to travel in the mode most comfortable for them but invite you to see the difference between us and Uber and/or Lyft.

DRIVER PROVISIONS & INCENTIVES

- Two (2) to three (3) days of local orientation
- Pays lease fee AND gas
- Safety awareness orientation
- Local maintenance facilities

RIDER BENEFITS

- Convenient app with LOCAL number and accounts
- Route flexibility (change destination)
- No surge pricing
- Security cameras in all vehicles
- Local office with responsive management team

DRIVER PROVISIONS & INCENTIVES

- Minimal to no driver orientation
- Drivers pay commission PLUS gas PLUS maintenance PLUS other expenses
- Minimal to no safety training provided

RIDER BENEFITS

- App with no local main line
- Limited to no route flexibility
- Surge pricing based on time of day or number of people requesting ride
- No security cameras
- No local office to report concerns and ask questions
